						<b>Outcome</b>
<b>Approval of Minutes</b>	March 8, 2016				<b>Approved</b>	
<b>Approval of Consent Agenda</b>						
<b>Action</b>						
<b>Information</b>	CTE submissions				Only new CTE program submissions require Advisory minutes attached in WebCMS. CTE program modifications, new courses, and modified courses do not require attached Advisory minutes. However, all curricular changes must be shared and discussed with Advisory Committees. Minutes reflecting these discussions should be submitted to the Instruction Office annually.	
<b>Discussion</b>	What triggers a Modification status? EDC Roles and Responsibilities AP Curriculum Reporting Structure				EDC recommends modifying the prescreening process. Courses with significant modification, addition, or deletion of topics and addition or significant modification of Measurable Objectives will be placed on the EDC Review Agenda instead of the Consent Agenda. EDC Roles were reviewed and approved. EDC members will ask divisions for feedback about changing the curriculum approval process to allow C&I to report straight to the Board.
