<b>II</b>	<p><b>Items for Action/Discussion</b>            Equivalency to review for adjunct Accounting applicant.            MQs as stated in handbook:            Master’s in accountancy or business administration with accounting concentration</p> <p>OR</p> <p>Bachelor’s in business with accounting emphasis or business administration with accounting emphasis or economics with an accounting emphasis AND Master’s in business, business administration, business education, economics, taxation, finance or the equivalent</p> <p>(NOTE: A bachelor’s degree in accountancy or business administration with accounting concentration, with a CPA license is an alternative qualification for this discipline.)</p>	<p>Committee supported Bobby Bate’s recommendation to <b>grant equivalency</b>. Equivalency is based on the following NOTE in the MQ for Accounting: A bachelor’s degree in accountancy or business administration with accounting concentration, with a CPA license is an alternative qualification for this discipline.</p> <p>Applicant is a licensed CPA and has a Bachelor’s Degree in Economics and an MBA. Instead of the Bachelor’s in accountancy the MBA (higher degree) was used and to identify equivalencies for an “accounting concentration” in the MBA we used the <a href="#">CSU Fullerton MBA w/ Accounting Concentration</a> as a model. This program requires 12 units of Accounting courses to have a concentration.</p> <p>The following graduate level courses that the applicant are equivalent to the required 12 units of accounting coursework at the CSU Fullerton program:            AC710- Fin &amp; Mangr Acct 4 units            AC801 Corp Fin Reptng (advanced accounting) 4 units            FE 820 Corp Fin Mgt (advanced accounting equiv) 4 units</p>
