

INFORMATION TECHNOLOGY ADVISORY COMMITTEE

(Governance Committee – Reports to President’s Advisory Council)

Purpose

ITAC is the primary advisory committee for investigating and communicating direction and solutions to IT in development, integration, application, funding, and delivery of College information and instructional technologies.

The Committee is responsible for monitoring compliance with ACCJC Standard III.C, “Technology Resources.”

Function

1. Gather, investigate, and disseminate information between IT and the campus on all technology-related issues in or out of the classroom.
2. Work closely with all campus constituencies to advise IT in providing accessible support and the use of campus instructional technologies.
3. Provide direction in the development of integrated technology solutions by making recommendations for changes in campus policies or procedures in order to achieve College strategic goals or objectives.
4. Advise IT in the development and review of the Technology Master Plan including integration with other campus planning processes.
