1. Review of May 12, 2021 Meeting Notes

Approved, as written.

2. Overall Campus Equity Update

The HSS Equity Speakers Series: A Call to Action on Asian Communities and White Supremacy had a great format and panel that shared personal experiences. The information was valuable in this very important step.

We are in a unique situation in that there is an agreement of commitment at all levels.

The President’s Breakfast, hosted by the Foundation, was held last Friday and focused on equity, diversity, and inclusion and the important role education plays in it. This event is posted on the President’s website under the Cabinet notes page.

This in an ongoing matter to discuss, engage in and look for ways to take action. Implementation needs to be in our teaching practices and interaction with one another. We may not be able to change society, but we can make Mt. SAC is a place where we live up to our on-going efforts to become an anti-racist campus.
