Minutes of June 8, 2022, were approved, as amended.

3. Tentative Budget Presentation (Rodrigue)

Morris provided an overview of the 2022-23 Tentative Plan and Budget. Highlights:

- The College was under the COVID-19 Emergency Conditions Allowance for the 2021-22 SCFF FTE funding.
- The College received additional funds for 2021-22 Full-time Faculty Hiring.
- There were changes in revenues and expenditures for the Revenue Generated Accounts. These funds have primarily increased as a result of indirect costs claimed from the HEERF funds.
- The positive variance for full-time salaries, part-time salaries, and benefits are mainly the result of full-time faculty, management, and classified staff vacancies, as well as unexpended short-term hourly accounts.
- Due to actuarial calculations, the additional one-time revenues, and unexpended line budget items, the College had sufficient funds and made a \$6,000,000 one-time contribution to the OPEB Trust in the 2021- 22 fiscal year. This will be approved by the Board of Trustees on June 22, 2022.
- Unexpended Operational Budgets mainly consist of travel and conference, new resources allocations, rate driven, and instructional equipment.
- The College transferred \$5,000,000 for a variety of small capital projects that are not included in the bond budget.

There was further discussion on the different faculty COLA narratives at other colleges.

The Tentative Budget will be presented to the Board tonight for approval.
