Meeting Agenda	ACCJC Standard	Outcomes
I. Welcome & Introductions		PIEC introductions for new member.
II. Approval of Minutes: April 3, 2023		Meeting minutes approved
III. 'Where We Are Now', 'where we are going' Workgroups	IB.9	Committee discussed the process for how to review the 'where we are now' and 'where we are going templates'. Discussed options for how to review the template, including forming two small workgroups to review templates. It was decided to review as a committee rather than two smaller groups. Committee agreed to getting feedback from vice presidents, managers, and faculty to inform any changes to the template. The committee sent a request to IEC to submit a formal request for VP feedback. The committee discussed upgrading Nuventive to the new platform. There is some concern about timing and having access data for accreditation purposes. Patty will seek feedback from the accreditation core team on timing of the upgrade. Discussion on how Nuventive plans on upgrading demonstrations.

IV.	Review IEPI PRT Feedback	IB.9	Committee reviewed feedback from the listening session.
V.	Revised Integrated Planning Process Map	IB.9	Committee reviewed the new map and recommended two minor recommended changes: 1) remove the 'closing the loop' verbiage from Unit Pie box, and 2) move the PIE gear to better illustrate integration between the Strategic Plan and PIE.
