The Mt. San Antonio College Catalog contains information regarding the College library and related support services. ~~This document~~ **The information** is updated annually for currency and correctness.

~~All library materials are accessible to individuals with disabilities. Upon request, library materials will be provided in alternate formats (Braille, e-test, tactile graphics, audio recording closed-captioned, or enlargements). To the extent possible, the alternate format shall be in the mode of communication that is preferred by the individual and shall be produced in a timely manner. Requests for alternate media should be directed to the librarian in charge.~~

The Mt. SAC Library is a welcoming, inclusive, and inspiring space for learning. Ever evolving to meet the needs of our students and diverse communities, we cultivate knowledge creation and discovery, innovation, and academic, professional, and personal achievement.

Equitable Access to Resources and Services

The Library provides equitable access to library resources and services to Mt. SAC students, regardless of location, including online learners and students with disabilities. To achieve this, the Library

- **Collects materials in a variety of formats that support curricula and the intellectual, professional, social, and cultural development of the Mt. SAC community, as outlined in the Library's Collection Development Policy on the Library's website.**
- **Provides and supports remote access to online, accessible resources including databases, eBooks, online scholarly articles, and streaming media for Mt. SAC students, faculty and staff—as outlined in our vendor agreements**
- **Provides research assistance to the Mt. SAC community that promotes curiosity, learning and building knowledge.**
- **Teaches students to develop and strengthen their information literacy in individual and group instruction.**
