

AB 928 UPDATES

GUIDANCE FOR IMPLEMENTING THE NEW
ASSOCIATE DEGREE FOR TRANSFER
PLACEMENT REQUIREMENT

AB 928

Directs the California Community Colleges “on or before August 1, 2024, where ADTs for major pathways exist,” to “place students on the ADT pathway if students declare a goal of transfer on their mandatory education plans”

KEY COMPONENTS

- 1. Presenting ADTs
in CCCAPPLY**
- 2. Developing the
Student
Educational
Plan**
- 3. Handling the
Exemptions**

ADTS & COMPLIANCE OPTIONS

- **CCCApply Update:** If a college lists only Associate Degree for Transfer, then the CCCApply student profile information will trigger compliance for this provision when an abbreviated education plan is generated within the student account.
- **Choice:** However, a college may prefer to maintain student choice at this preliminary application point and display a full complement of associate degrees listed in CCCApply. Thus, this choice shifts more statutory responsibility onto the college's personnel to assure ADT placement for those applicable students at the subsequent counselor visit when a comprehensive education plan is developed.

Option for PRESENTING ADTS

California
Community
Colleges

CCCApply

In Spring 2024, a new CCCApply filter was added under educational goal:

- “obtain an associate degree and transfer to a four-year institution”.

When this goal is selected the student decide if, the students will only view the college’s associate degrees in the major area dropdown listing.

The changes -

- 1. ALL ADTs are now placed on top of all the available majors.**
- 2. AA, AS, AA-T and AS-T are now spelled out.**
- 3. When "Obtain an associate degree and transfer to a 4-yr institution" is selected, ONLY AA, AS, AA-T and AS-T are showing. Certificates DO NOT show.**
- 4. The new "Major Category" field allows students to further filter the list based on AA, AS, AA-T/AS-T, or Certificate.**
- 5. Updated and cleaned the available majors and certificates.**

Supplemental Questions

DEVELOPING THE STUDENTS EDUCATIONAL PLAN

As part of the matriculation process students must visit with a counselor at least once and develop some version of a SEP. If this is not accomplished, per local protocols at the earliest by the census date, or at the latest when the 15-unit requirement would be triggered (Title 5 §55530), a hold would be placed on the student's enrollment process.

EXEMPTIONS

- 1. ADT pathway does not exist in the chosen major at the college.**
 - 2. The student's educational pathway is better served by a local associate degree.**
 - 3. The student plans to apply to transfer to a UC campus or an independent college or university.**
 - 4. The student is seeking to complete a community college baccalaureate degree program.**
 - 5. The student is seeking to complete a career technical education program that does not have an ADT pathway.**
-

EXEMPTIONS

- Exemptions will be noted in Degree Works, where Mountie Academic Plans (MAP) are housed.
