Brief Program Description

High School Outreach helps local in-district high school graduating seniors, out of district applicants, non-traditional, returning, family, and community members successfully transition into Mt. San Antonio College. Our High School Outreach program is designed to help students with the enrollment process and connect them with campus support services.

Dual Enrollment provides high school students the opportunity to take college level courses at their high school campus. (Starting 2025/2026 academic year, 9th and 10th grade students will be able to participate in Dual Enrollment)

Special Admit allows high school students the opportunity to take college level courses on campus. (Starting November of 2024, Special Admit will move from Counseling to Dual Enrollment. Starting 2025/2026 academic year, 9th and 10th grade students will be able to participate in Special Admit)
