

MANAGER, MAINTENANCE AND OPERATIONS

DEFINITION

Under general administrative direction and oversight, schedules, assigns, and reviews the work of staff responsible for performing the full range of work for an assigned operation within Maintenance and Operations; plans, coordinates, monitors, and provides input for Maintenance and Operations projects and programs; provides technical assistance; performs a variety of technical tasks relative to Maintenance and Operations projects and programs.

SUPERVISION RECEIVED AND EXERCISED

Receives general direction from the assigned managerial personnel. Exercises direct and general supervision over assigned Maintenance and Operations staff.

CLASS CHARACTERISTICS

This is a management classification that is responsible for managing the day-to-day functions and operations for assigned areas within the Maintenance and Operations department such as custodial, grounds, and maintenance. Incumbents are responsible for planning, organizing, supervising, reviewing, and evaluating the work of assigned Maintenance and Operations staff either directly or through lead staff. Incumbents are accountable for department activities and managing and overseeing complex and varied functions of the department. Incumbents are responsible for accomplishing operational goals and objectives and for furthering College goals and objectives within general policy. Performance of the work requires the use of considerable independent judgment, initiative, and discretion within established guidelines.

EXAMPLES OF ESSENTIAL FUNCTIONS (Illustrative Only)

1. Plans, organizes, assigns, supervises, and reviews the work and activities of assigned staff in Maintenance and Operations.
2. Participates in developing and implementing goals, objectives, policies, and priorities for assigned services and programs; identifies resource needs; recommends and implements policies and procedures, including standard operating procedures for assigned facilities.
3. Assists with the selection, training, motivation, and direction of department assigned personnel; evaluates and reviews work for acceptability and conformance with department standards, including program and project priorities and performance evaluations; works with employees on performance issues; implements discipline procedures; responds to staff questions and concerns.
4. Trains staff in work and safety procedures and the operation and use of equipment and supplies; implements procedures and standards.

5. Makes inspections of ongoing and completed assignments to ensure the quality of work, operating procedures, methods and practices, safety, and other established standards and requirements are satisfactorily met and maintained.
6. Monitors inventory; prepares, maintains, and reviews various records and reports related to Maintenance and Operations, including service and supply requests and timesheets as required.
7. Schedules, directs, and coordinates the implementation of objectives, procedures, and work standards for events; recommends service and staffing levels.
8. Reviews construction design plans for sustainability and feasibility; coordinates projects and schedules with feedback from staff.
9. Assists in the coordination and inspection of the work of outside contractors involved in repairs and facilities construction.
10. Prepares and maintains various records and reports related to work orders, projects, inventory, and assigned activities.
11. Exercises leadership to maintain the efficiency and continuity of the maintenance function in the absence of the incumbent's immediate manager.
12. Establishes, implements, and fosters an environment of belonging as it relates to diversity, equity, inclusion, social justice, anti-racism, and accessibility (DEISAA).
13. Prepares and delivers DEISAA-minded presentations related to assigned areas as required.
14. Oversees, leads, and provides quality customer service when interacting with the public, vendors, students, and College staff, including individuals from minoritized groups.
15. Utilizes critical thinking, sound decision-making, and problem-solving skills with ethics, tact, confidence, and diplomacy.
16. Implements, enforces, supports, and abides by federal, state, local policies, and Board Policies and Administrative Procedures.
17. Participates on and supports employee participation on committees, task forces, and special assignments, including, but not limited to Screening and Selection Committees and mandated trainings as required.
18. Performs other related duties as assigned consistent with the scope of the position.

QUALIFICATIONS

Knowledge of:

1. Principles and practices of supporting a diverse, equitable, inclusive, socially just, anti-racist, and accessible academic and work environment.
