 - c. Cabinet received the following diversity, equity, inclusion, social justice, anti-racism, and accessibility updates:

School of Continuing Education

 - SCE is developing a WASC accreditation midcycle report and during this process, they reviewed their DEISA vision and action plan at a recent retreat. Madelyn reported that the work that they are doing is in alignment with their DEISA vision.

Student Services

 - It is celebration season on campus! There are many exciting celebrations honoring our students reaching their educational goals, including transfer and Commencement. Melba thanked everyone for showing up and attending the events to celebrate our students.
2. Adrienne Price presented the following Grant Proposal Approval Summary Form:
 - [Child Care Access Means Parents in School](#) - The grant application was approved to be submitted.
3. Antonio Bangloy and Chris Schroeder presented [Why Mt. SAC Needs the Cloud](#), which provided a high level overview of cloud migration and the benefits to Mt. SAC. Discussions centered around risks associated with our current on-premises systems, alignment with Mt. SAC 2035 goals, and costs related to the transition. Cabinet was supportive of the migration roadmap presented by the IT team, which would work to move to the Oracle Cloud Infrastructure in the next 5 years and Ellucian Saas sometime beyond that.
4. Melba provided an updated [2026-2027 Registration Dates](#). The Spring registration start date was changed to Thursday, November 12th due to the Veteran's Day holiday.

5. Melba presented information from the [First Destination Survey Workgroup](#). This is part of a new initiative to capture information on graduating students to determine what they are doing after graduation. The First Destination Survey is a national survey organized by the National Association of College and Employers (NACE). The survey is being administered by colleges and universities across the country with the goal of collecting the information of graduates within six months of graduation. The team is considering various avenues to promote the survey to students. Cabinet was supportive of this survey to be administered.
6. Cabinet reviewed the Prioritization of Requests for Faculty Positions Memo dated November 21, 2025, from AMAC. Additional positions were approved to be hired from the recruitments for Counseling, Communication, Ethnic Studies, and English based on legislative requirements.
7. Cabinet continued discussion regarding the email from the Chancellor's Office related to the Accessibility Standards and Revised ADA Title II regulations, as well as the Mt. SAC Accessibility Plan. Much of this work has been completed, but it was recommended to create a workgroup to ensure full compliance.
8. Cabinet reviewed proposed revisions to the following Administrative Procedures:
