Additional Program Information

About the Adults with Disabilities (AWD) Program

Mt. San Antonio College School of Continuing Education offers specialized courses designed to enable students with intellectual and/or developmental disabilities to attend college and achieve their goals. Our classes provide students with the skills they need to transition into more independent living and working environments in the community, and to prepare for other college courses. The Mt. SAC college campus and surrounding community provide a rich environment for instruction and skill development.

Counseling

Our Adults with Disabilities (AWD) counselors provide career, academic, and personal guidance. If you need support, they can connect you with applicable campus and community services. They are here to help you achieve your goals! If you need counseling, please contact us at 909-274-4192 to schedule an appointment.

Student Support Volunteers

We always encourage our students to ask for help when they need it. With that in mind, we welcome coaches, parents, assistants, or caregivers to assist students during class. Mt. SAC does not provide coaching or caregiving services, but our counselors can connect you with community resources that do. Anyone who attends class who is not a student must complete the [AWD Volunteer Form](#) each term. All volunteers are expected to comply with college policies and procedures on and off campus.

All classes are tentative and may change based on enrollment, attendance, and the needs of our students and community partners. For the most current class schedule, visit our website: <https://www.mtsac.edu/sce/awd>

A decorative graphic of musical notes and a staff line, rendered in a simple, stylized black and white line-art style. The notes are scattered across the page, with some appearing to be part of a continuous melody. The staff lines are curved and flowing, creating a sense of movement. The overall design is clean and modern, suitable for a music-related presentation.

A circular collage of various musical instruments, including a drum, a gong, a xylophone, and a maraca, set against a yellow background. The instruments are arranged in a circular pattern, with a large drum on the left, a gong on the right, a xylophone at the top, and a maraca at the bottom. The collage is framed by a thick orange border.
