# **Registration Information**

### Registration is ongoing.

### How to Register for a Class

Students can register for classes online or in person.

**To register online,** complete the noncredit application online each semester. After completing the noncredit application, we will email you a personalized registration link where you can select your classes. The noncredit application is available online at <a href="http://www.mtsac.edu/noncreditapp">www.mtsac.edu/noncreditapp</a>

**To register in person,** complete a yellow registration card. This registration card serves as your application and registration document. You can get a blank yellow registration card from your teacher. After filling it out completely, please give it back to your teacher for processing.

**To register for impacted classes,** such as Computer Skills classes, see the following page for registration information.

### **Need Help?**

Come see us in person! We have registration support dates out in the community at a location near you. See the following page for details.

# Summer & Fall 2025 Impacted Classes Registration Dates

### Registration is ongoing.

If you would like to register for in-person *Computer Skills* class or *other impacted classes*, you **must** attend the registration day at the location where you plan to take the class (*see schedule below*). You do not need to attend a registration day if you are not interested in taking impacted classes. Impacted classes are noted in the schedule book with a double-asterisk (\*\*) next to the CRN number.

Date	Time	Location
Wednesday, May 14	11:30am-1:30pm	Gibson Senior Center, Upland
Thursday, May 15	9:30am-11:30am	Covina Senior & Community Center
Friday, May 16	10:30am-12:30pm	Baldwin Park Julia McNeill Senior Center
Monday, May 19	9am-11am	Heritage Park, Diamond Bar
Tuesday, May 20	10am-12pm	Diamond Bar Center
Wednesday, May 21	9:30am-11:30am	San Dimas Senior/Community Center
Tuesday, May 27	10:30am-12:30pm	La Verne Community Center
Thursday, May 29	9am-11am	Walnut Senior Center
Tuesday, June 3	9am-11am	West Covina Senior Citizen's Center
Thursday, June 5	10am-12pm	Irwindale Senior Center
Tuesday, June 10	10am-12pm	Palomares Senior Center, Pomona

### \*\* In Person Technology Classes & Additional Impacted Classes

(Additional impacted classes are: Summer CRNs 11100, 10695, 10777, 11211, 11213, and 11214 & Fall CRNs 22968, 22455, 23126, 22169, 22171, 22173, 22691, 22693, and 23677.)

Each person must register for themselves. Registration is first-come, first-served. If you miss the dates listed above, you may apply online at <u>www.mtsac.edu/noncreditapp</u> and contact the office to join the waitlist for the course.

# **Additional Program Information**

### About the Education for Older Adults Program

Mt. San Antonio College's School of Continuing Education offers classes for older adults that provide opportunities for personal growth and development, community involvement, and skills for mental and physical well-being. Classes are available online and at various senior centers, community centers, and residential facilities. These courses are designed for older adults (age 55+ years). Education for Older Adults (EOA) students enter class with different levels of real-world experience as well as a multitude of educational levels, age variances, and life skills.

## Do you have questions about a class?

All faculty members teach their classes slightly differently based on their knowledge, expertise, and teaching philosophy. It is the policy of Mt. San Antonio College to maintain and encourage freedom for its faculty, within the law, of inquiry, teaching and research, and the pursuit of knowledge.

If you have questions about a specific class, we encourage you to email the faculty member.

### **Course Modality**

Course Modality refers to how a professor delivers their course.

- In Person Learning takes place at a physical location at specific days/times.
- **Synchronous Learning** is online learning that happens in real time. This means that you, your classmates, and your professor interact in a Zoom call through Canvas at a specific time.
- Asynchronous Learning is online learning that happens both in real time and on your schedule. All asynchronous classes have a weekly live Zoom call. In addition to the Zoom call, you are responsible for doing some work independently. You will be required to read, watch videos, participate in online discussion forums, or complete assignments outside of the scheduled Zoom time. You have the ability to access and satisfy these requirements within a flexible time frame.

# **Class Descriptions**

### **Brain Health Classes**

### OAD BHTH1 Brain Health 1 - Introduction to Brain Training

Critical thinking and cognitive skills through understanding key structures and functions of the brain. Focus on maintaining and/or improving cognitive abilities through brain training.

### OAD BHTH2 Brain Health 2 - Brain Health Topics

This course improves cognitive abilities by combining brain training with brain health topics/lectures to strengthen and improve brain function. Particular focus on how to live a brain healthy lifestyle.

### OAD MBH Music and Brain Health

This course is designed to help older adults improve their overall cognitive health through the use of music.

### **Painting and Drawing**

### **OAD FNA03 Oil Painting**

Principles of drawing, design, color, and composition for oil painting emphasizing creative skill development for the older adult population.

### **OAD FNA04 Watercolor Painting**

Principles of watercolor painting for the older adult population. Emphasis will be on creative expression to develop primary skills for watercolor as they relate to composition and technique.

### OAD FNA32 Drawing— Beginning-Advanced

Drawing while emphasizing the development of perceptual and technical skills. Students will advance their abilities in dry and fluid media while expanding their use of the formal elements and principles. The development of works of art will utilize observation of single objects, still life and landscape for representation and expression.

### **Healthy Aging Classes**

### OAD FN Food and Nutrition for the Older Adult

Examine nutritional cooking strategies and basic nutrition principles that improve health and vitality for older adults.

### OAD MOX01 Healthy Aging

Healthy aging, including diet, nutrition, disease prevention, and application of physical fitness principles to maintain health while aging.

### OAD MOX02 Healthy Aging - Principles of Slow Movement

Healthy aging, including diet, nutrition, disease prevention and application of Tai Chi Principles to maintain health while aging for the older adult.

### OAD MOX04 Healthy Aging - Principles of Posture and Flexibility

Health aging, including diet, nutrition, disease prevention, and application of Yoga principles to maintaining health while aging for the older adult population.

### OAD MOX06 Healthy Aging - Principles of Aquatic Resistance

Healthy aging, including diet nutrition, disease prevention, and application of aquatic resistance principles to maintain health while aging for the older adult population.

### OAD MOX09 Healthy Aging – Principles of Progressive Resistance

Healthy aging, including diet, nutrition, disease prevention and application of progressive resistance training principles to maintain strength while aging.

### OAD MOX11 Healthy Aging – Fall Prevention Balance and Mobility

Addresses, particularly for older adults, the risks and fears associated with falling. Includes setting realistic goals, minimizing environmental risks and balance exercises.

## **New Classes Coming Soon!**

# Look out for these new classes coming this fall. Check back in July for schedule details.

### **OAD FLIT: Financial Literacy in Retirement**

Obtain knowledge and skills needed to successfully navigate and protect finances during retirement. Students will learn how to develop a well-rounded retirement budget that fits their individual needs. Primarily for the older adult.

### **OAD FNA06: Ceramics for Older Adults**

Designed to help older adults learn the basics of ceramics to improve physical and mental health. Through hands-on practice, instruction, and feedback, older adults will learn the fundamentals of wheel-throwing, hand-building, decorating and glazing ceramic projects. In addition to the technical skill building, older adults will also gain improved coordination and physical strength, greater mental clarity, improved concentration and focus, lowered stress levels, and a healthy outlet for creativity.

### **OAD LS: Writing Your Life Story**

This course is designed to help older adults write their life stories. Through a series of lectures, activities, and writing exercises, students will learn the necessary skills to construct and document their life stories. The course will cover topics such as timeline creation, memory recall, life purpose, and the importance of sharing stories. Primarily for the older adult.

All classes are tentative and may change based on enrollment, attendance, and the needs of our students and community partners. For the most current class schedule, visit our website: <u>https://www.mtsac.edu/sce/eoa</u>

Contact us at:

email: eoa@mtsac.edu

## **Vocational Re-Entry Program**

Mt. San Antonio College's School of Continuing Education offers vocational re-entry (VRE) courses and certificates for adults returning to the workforce and as a means of supplemental income. Classes are available online, on campus, and at various locations and community centers. Students enroll in these classes to learn vocational skills that they can use to start a new career, start their own business, earn additional income, or to support their community Students can earn certificates in Office Computer Applications, Basic Excel Applications, Basic Computer Presentations & Publication, Digital Media Specialist, Microenterprise, Regenerative Communities, and/or Sewing & Tailoring.

You can view the VRE Schedule online at <u>www.mtsac.edu/eoa</u>.

All classes are tentative and may change based on enrollment, attendance, and the needs of our students and community partners. For the most current class schedule, visit our website: <u>https://www.mtsac.edu/sce/eoa</u>
