Pathways to Prosperity

Fee-Based Not-for-Credit Programs
Fueling Equity & Economic Mobility

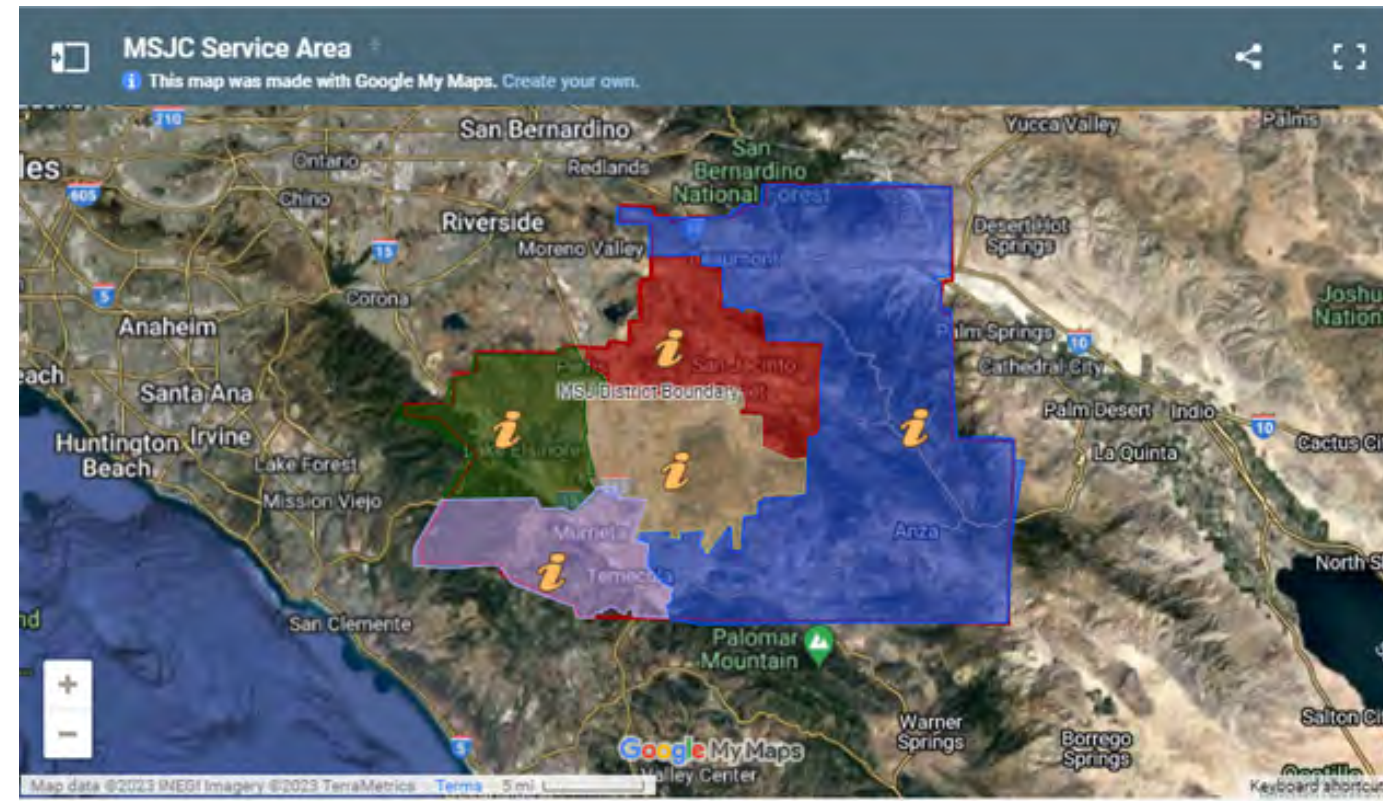

What is Community Education?

- **Purpose:** Provide lifelong learning opportunities for personal growth, skill development, & recreational enjoyment for all ages. A flexible way to learn new things or pursue hobbies without the commitment of a formal college program.
- **Community-Focused:** Courses are designed to meet the needs and interests of the local community.
- **Diverse Offerings:** Career/Workforce Development, Personal Enrichment, Fitness & Sports, Special Interest, Youth Programs & more!
- **Not-for-Credit:** Courses do not count toward a college degree or a formal academic transcript. Some may lead to professional and/or industry certifications.
- **Fee-Based:** Participants pay a fee to cover the expenses, including instructor salaries, administrative costs, and materials.
- **Self-Supporting:** Programs operate on a fee-for-service model and are independent of state funding for their operation.

Online Tuition Assistance Application

Reimbursement

Reimbursement for tuition assistance ensures a hassle-free process whereby funds are paid directly to the family child care provider as a reimbursement. Reimbursements can be provided for coursework dating back to January 1st 2022 for a maximum amount of \$5,000 per calendar year. Rest easy knowing that your educational journey is backed by this dedicated support. Submitting appropriate documentation for sponsorship is straightforward and can include various proofs for a smooth and efficient process. Appropriate documentation for reimbursement can include, but is not limited to:

- Proof of course payment/cost of the course from institution
- Any other relevant/supporting documentation for course(s) taken at an accredited CA educational institution.
- A document to verify you have cared for at least one subsidized child within the past 12 months. For example: attendance sheet, child care schedule, or payment summary from the organization managing the subsidy.
- Your course schedule per term OR unofficial transcript. We need to verify course eligibility (course enrollment, course titles and course dates).
- A syllabus or another form of documentation for any course-related expenses you've paid for out of pocket. At this time, there must be documentation for the institution that specifies the need for additional expenses (syllabus, letter from the school on school letterhead which details which course materials needed, etc.)

Sponsorship

Sponsorship is tuition assistance funds that will be paid directly to the educational institution offering the course(s) on behalf of the family child care provider. Sponsorship is available for course work that occurs in 2023 and beyond. The maximum sponsorship amount is \$5,000 per calendar year. Appropriate documentation for sponsorship can include, but is not limited to:

- Student ID# Bursar
- Student Account Statement or Student Bill
- Cashier's office contact information
- A document to verify you have cared for at least one subsidized child within the past twelve months (for example: attendance sheet, child care schedule, or payment summary from the organization managing the subsidy).
- Your course schedule per term or unofficial transcript. We need to verify course eligibility (course enrollment, course titles and course dates).

** Please note, For Sponsorships, we will mail a tuition/fees check directly to your school on your behalf. Sponsorship payment can take thirty to forty-five business days after an application is approved. We recommend you submit your Sponsorship application at least **sixty days** prior to your course payment due date.*

Courses

Many different types of courses can be covered. Course examples include: Child Development Foundations of Early Childhood Child Behavior, Family and Community Relationships, Business Development Courses, Business Management 101, Introduction to Accounting and Finance and Digital Marketing.
