

My Scholar Story

After attending Mt. SAC I received my B.A. in Psychology. Currently I am stationed abroad as a U.S. Marine. Also I am studying for subject GRE test in Psychology so that I can apply to graduate schools. My future educational goal is to obtain a Masters and/or Doctorate degree in Cognitive or Applied Behavior Analysis. One day, I hope to be a professor in Psychology and give back some of the knowledge that I have learned over the years.

Being selected for a Mt. San Antonio College scholarship was a major boost for my academic career. After being selected it felt as though all my academic accomplishments were not going unnoticed. It made me strive to better myself to achieve more at school.

Lorenzo Zubieta

Mt. SAC Scholarship Recipient, 2009
