

Washington Blvd Animal Hospital is looking to add a full-time Licensed/Experienced Veterinary Technician to join our team.

Under the management of the Veterinarian and the Technician Supervisor, the technician will assist in providing quality care to all animals at Washington Blvd Animal Hospital. The technician will coordinate and perform various duties involving patient care and client education.

Daily responsibilities include but is not limited to:

- Follow digital treatment plans prescribed by DVM
- Safe and effective patient handling and restraint
- Knowledge of preventative care and vaccines
- Competency in emergency and surgical care - including IV catheter placement
- Professional, compassionate communication with clients and staff.
- Obtain quality lab samples via venipuncture, cystocentesis, fecal collection, etc.
- Perform in-hospital laboratory diagnostics including, urinalysis, cytologies, etc.
- Process lab samples utilizing in-hospital laboratory equipment
- Use low stress patient handling techniques
- Perform diagnostic radiographs
- Administer injections, medications, nursing care as directed by a veterinarian
- Administer sedation for minor procedures
- Administer and monitor general anesthesia, if required
- Maintain accurate, complete digital medical records
- Maintain a clean work environment to include following any infectious disease protocols, handling medical/biomedical, and infectious waste appropriately

Your talent and skill are certainly essential to your success in this role. We'll love your expertise, passion, eagerness to grow and learn, and ability to work well with a team. Other valuable qualities include:

- Ability to build rapport with clients, fellow team members, and leadership.
- Communication skills
- Valuing teamwork
- Maintaining a positive, supportive approach at all times.
- Never stop learning and never stop sharing knowledge.
- Patience and kindness, compassion and understanding, especially in challenging situations.

**Schedule:** This is a full-time position (4/10 hour shifts) with a flexible schedule. Hospital is open 7 days a week, 7am-10pm. Holidays, Rotating evening, Saturday, and Sunday shifts will be required.

**Compensation:** Compensation is negotiable based on education, experience, and other relevant credentials.

**Location:** 12116 E Washington Blvd Whittier CA 90606

#### **Financial Benefits:**

- A flexible approach to compensation that will reflect your skillset and future performance
- 401(k) matching & Roth Retirement Savings Plan
