

Veterinary Assistant/Technician

Village Animal Hospital

23379 Golden Springs Dr, Diamond Bar, CA 91765

From \$16.90 an hour - Part-time, Full-time

Full job description

Job Summary:

We are seeking a dedicated Veterinary Assistant/Technician to join our team. The ideal candidate will have a passion for animals and excellent customer service skills.

Responsibilities:

- Assist veterinarians in routine examinations and surgical procedures
- Perform animal catheterization and X-rays as needed
- Handle and restrain animals during procedures with care and compassion
- Conduct laboratory tests and analyze results
- Provide post-operative care and monitoring of animals
- Maintain accurate medical records and ensure proper documentation of treatments
- Educate pet owners on proper animal care and medication administration

Qualifications (Preference but willing to teach)

- Experience in animal handling and care
- Knowledge of veterinary terminology
- Ability to handle dogs and cats in a gentle and confident manner
- Familiarity with medical collection procedures
- Understanding of animal catheterization techniques
- Previous experience in a kennel or veterinary setting is a plus
- Training in dog handling or dog training would be beneficial
- Knowledge of veterinary critical care is advantageous
- Passion for pet care and well-being

This position offers the opportunity to work in a dynamic veterinary environment where you can make a difference in the lives of pets and their owners. If you meet the qualifications above and are looking to join a compassionate team, we encourage you to apply.
