High School Outreach Fall 2020 In-District High School Report

Graduating High School seniors are afforded the opportunity to participate in activities at their school through High School Outreach (HSO). Presentations are intended to facilitate: student's understanding of the benefits of a college education, enrollment procedures, and transition to college. Seniors who are considering attending Mt. SAC and attend HSO activities at the high school are offered the opportunity to participate in the Connect 4 Program. Connect 4 students receive guided assistance through the enrollment process, connections to special support programs, and receive early registration for the first incoming fall semester. The chart below shows the types and number of times the presentations were given as well as the number of students served at these presentations.

Overall

High School Visit Type	Total Students Served
General Presentations	6,980
Application Workshops	5,230
Account Claim/AQ	3,480
Virtual Workshops Post Campus Closure	3,900

## Required Steps to Become Connect 4 Eligible

Step 1 Apply for the Fall semester
