Be Prepared & Get Organized:

Create a calendar and/or checklist to track and monitor all of your applications and deadlines. Ask for letters of recommendation from teachers, guidance counselors, or leaders in your community. Keep copies of your High School or College Transcripts on hand.

The Application Process:

Applying for a scholarship is a competitive process. Read all directions carefully and be sure not to miss any deadlines! Make sure you meet all qualifications and eligibility requirements as each scholarship has its own specific guidelines. Be sure to pay close attention to the fine print!

Your Personal Statement:

Is a reflection of you! Many scholarships will require you to write a personal statement/essay to get to know you better. This is your chance to highlight any experiences or hardships (i.e. family, work, extra-curricular activities, etc.) you may have encountered to help the committee understand exactly who you are and why you deserve that particular scholarship.

Request Email Updates:

If you would like to receive Scholarship Program updates for both on and off-campus scholarship opportunities, send an email to scholarships@mtsac.edu and request to be put on the Mt. SAC Scholarship list-serve to be ahead of the game!
